HAYDEN WESTPHAL

haydenwestphal@gmail.com
[GitHub](#) | [LinkedIn](#)

A flexible, autonomous student with a B.S. in Computer Science looking to learn more about design and for new experience building responsive and scalable projects. Motivated to learn from senior engineers while sharing innovative ideas in an environment that values personal growth

EMPLOYMENT

Secretary & House Manager	Lambda Chi Alpha, Fraternity	December 2020 – Present
--------------------------------------	-------------------------------------	--------------------------------

- Piloted a new event booking system which increased house communication and attendance by 25%
- Consulted with executive members and pioneered a new system for managing their inquiries, and which inquiries to tackle next
- Collaborated on multiple projects to create designs and images to effectively advertise and represent our house and our ideals.
- Contributed designs and artwork for events. Increased overall profits by 35% and increased attendance by 10%

Bartender	JP's 207	May 2019 – August 2021
------------------	-----------------	-------------------------------

- Quickly developed relationships with customers and maintained a positive attitude while servicing up to 8 tables during prime-time hours.
- Worked collaboratively with management and kitchen staff to reduce idle time when dishes were ready to maximize customer satisfaction.

PROJECTS

www.itshdog.com	May 2021 – Present
------------------------	---------------------------

- Led the creation, operation, and development of my personal portfolio website. Utilizes HTML/CSS/Javascript. Implemented Particles.JS and other JavaScript Libraries.
- Creatively used my design skills to make my website more appealing, and added multiple color themes for a better user experience.

MatterJS Demo	January 2022 – Present
----------------------	-------------------------------

- Led the creation, operation, and development of this game demo utilizing the Matter.JS 2D Physics Engine
- Looking forward to continue development on this project, and teach myself new skills along the way
- Can be found on my personal portfolio, www.itshdog.com

SKILLS

Python, Javascript (React, Particles.JS, Matter.JS), HTML/CSS, Java
Adobe Creative Cloud (Photoshop, Premiere Pro, After Effects, InDesign)

EDUCATION

Iowa City, Iowa	University of Iowa	August 2019 – May 2023
------------------------	---------------------------	-------------------------------

- B.S. in Computer Science
